

# Vermont Islands

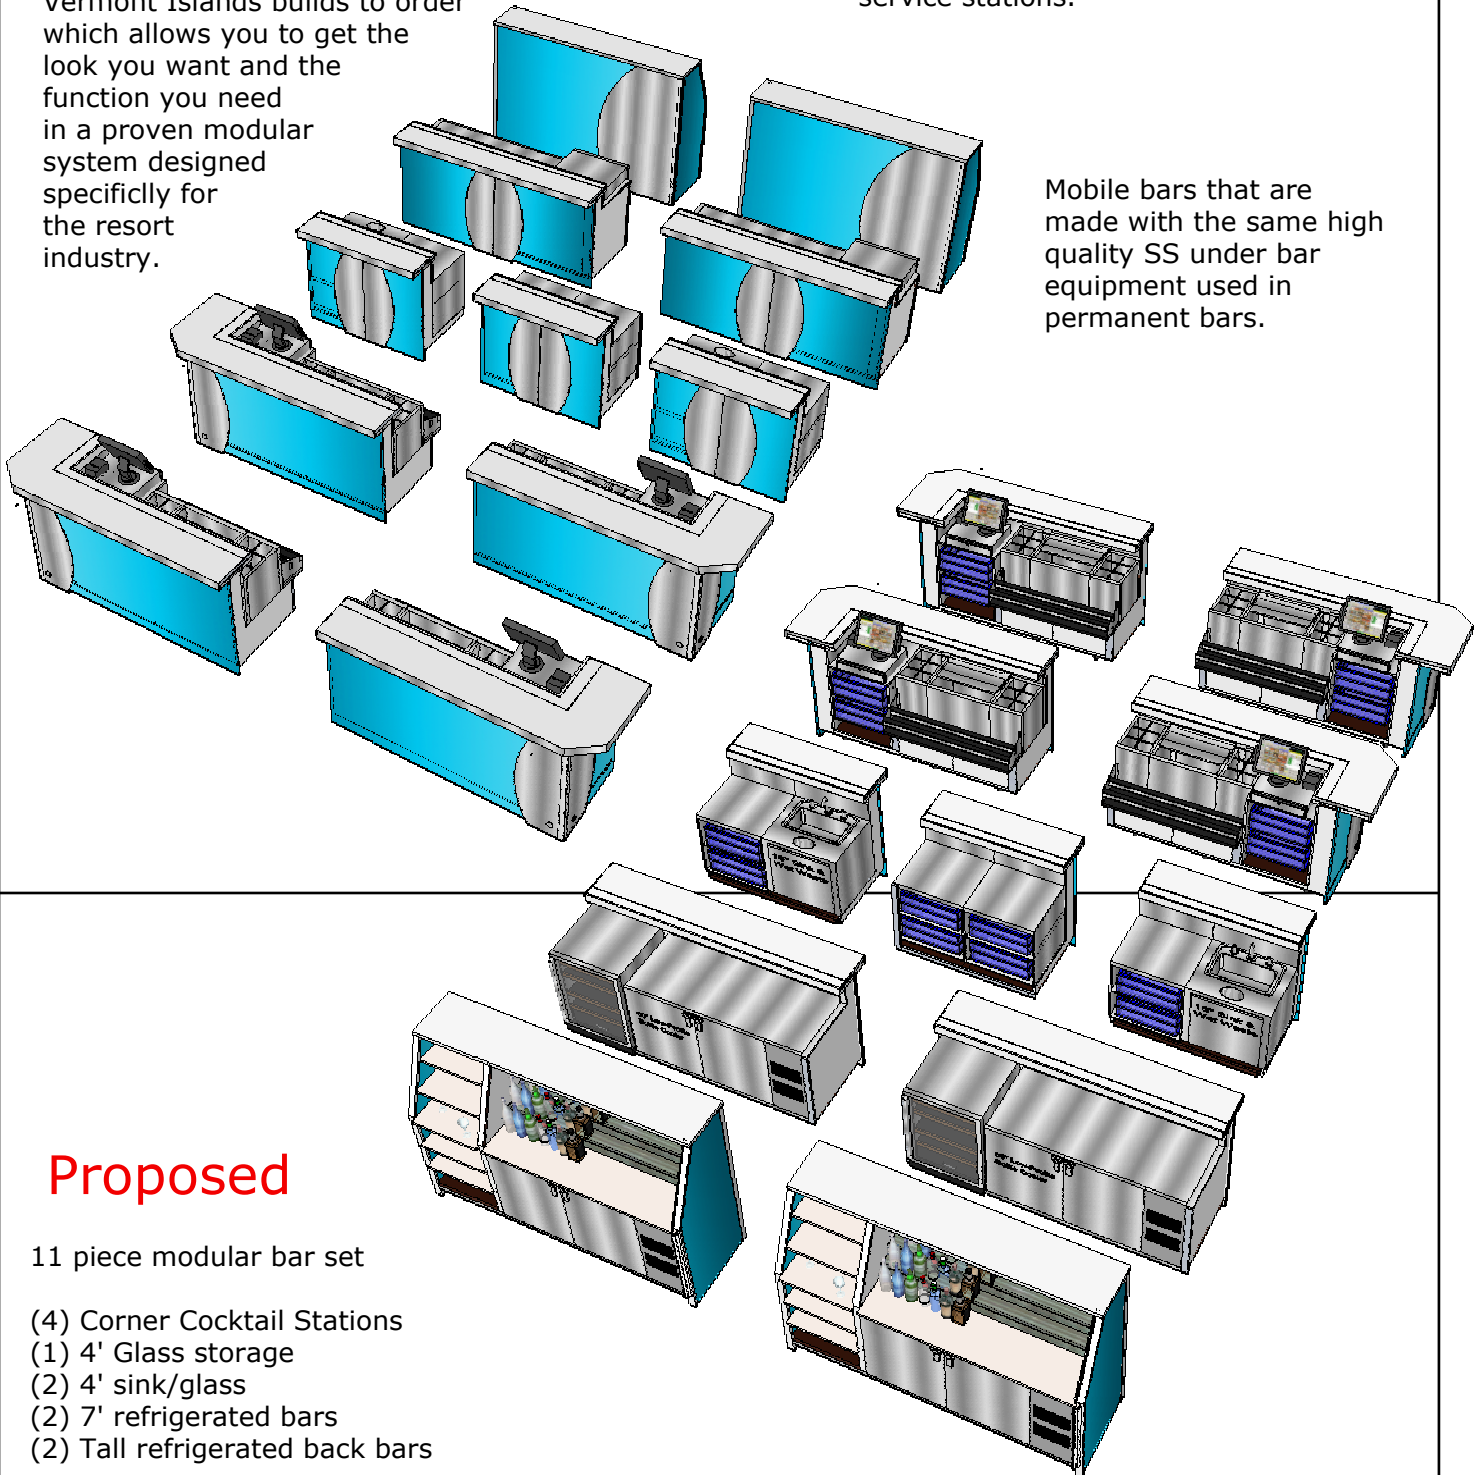

## Modular Bar System

Vermont Islands builds to order which allows you to get the look you want and the function you need in a proven modular system designed specifically for the resort industry.

(II) Piece indoor /outdoor modular and mobile bar set. Use bars alone or combine with other modules to increase capacity and create dozens customized production bars in minutes anywhere on your property.

Add matching ice caddies, service stations.

Mobile bars that are made with the same high quality SS under bar equipment used in permanent bars.

### Proposed

11 piece modular bar set

- (4) Corner Cocktail Stations
- (1) 4' Glass storage
- (2) 4' sink/glass
- (2) 7' refrigerated bars
- (2) Tall refrigerated back bars
